# Rothmans, Benson & Hedges Inc. MULTI-YEAR ACCESSIBILITY PLAN ONTARIO, CANADA

#### **Introduction and Statement of Commitment**

In 2005, the government of Ontario passed the Accessibility for Ontarians with Disabilities Act (the "AODA"). The AODA requires that, effective January 1, 2014, Rothmans, Benson & Hedges Inc. ("RBH") establish, implement, maintain and document a multi-year accessibility plan which outlines the organization's strategy to prevent and remove barriers for persons with disabilities and to meet its requirements under the AODA.

Although RBH has already established and implemented a number of policies in compliance with AODA, this multi-year accessibility plan sets RBH's comprehensive strategy to prevent and remove barriers for persons with disabilities and to address the current and future requirements of the AODA by fulfilling our commitment as outlined in RBH's Ontario, Canada Accessibility Policies.

#### **General Requirements**

| Requirement                                   | Description   | Action   | Responsibility & Status | Compliance Date |
|---|---|--|-------------------------|-----------------|
| Establishment<br>of Accessibility<br>Policies | Develop, implement<br>and maintain policies<br>governing how RBH will<br>achieve accessibility<br>through meeting its<br>requirements under the<br>accessibility standards. | Draft policy Obtain management approvals Post policy online (publicly available) and intranet Make policy available in an accessible format upon request | Done Done Ongoing       | January 1, 2014 |
| Accessibility                                 | Establish, implement,   | Identify barriers  | Done                    | January 1, 2014 |
| Plans   | maintain and document<br>a multi-year<br>accessibility plan, which<br>outlines the  | Prepare and develop<br>multi-year accessibility<br>plan  | Done                    |                 |
|   | organization's strategy<br>to prevent and remove<br>barriers and meet its   | Update multi-year accessibility plan   | Done                    |                 |

|                        | requirements under this Regulation  Post the accessibility plan on their website   | Obtain management approvals  Post plan publicly online and on intranet  | Done  |                 |
|------------------------|--|---|---|-----------------|
|                        | and provide the plan in an accessible format upon request.   | Review plan every year on January 1st to ensure it remains up to date   | Ongoing   |                 |
|                        | Review and update the accessibility plan at least once every five years.   |   |   |                 |
| Training               | Ensure that training is  | Prepare training modules  | Done  | January 1, 2015 |
|                        | provided on the requirements of the accessibility standards  | Provide training to all employees, etc.   | Ongoing   |                 |
|                        | and on the Human Rights Code as it pertains to persons with disabilities, to all employees, persons who participate in                 | Maintain records of training including dates training is provided and number of individuals training is provided to | Ongoing   |                 |
|                        | developing the organization's policies, and all other persons who provide goods, services or facilities on behalf of the organization. | Continue to provide training on any changes to the policies on an ongoing basis                                     | Ongoing   |                 |
| Self-Service<br>Kiosks | Have regard to accessibility for persons with disabilities when designing, procuring or acquiring self-service kiosks.                 | Ensure compliance with<br>the AODA requirements,<br>where applicable  | Where applicable, the Company strives to include accessibility features where it can, in the self-service kiosks available on its premises. | January 1, 2014 |

| Accessibility<br>Report | File the accessibility report. | File the accessibility report every three years. | Done | December 2023 |

|                           | case maybe, to persons with disabilities.   | Post customer service policy publicly online and on intranet  | Done                    |                 |
|                           | Post the customer service policy on the website and provide the plan in an accessible format, upon request. |   |                         |                 |
| Training                  | Ensure that training is provided to staff on the  | Prepare training modules  | Done                    | January 1, 2015 |
|                           | provision of goods, services of facilities, as the case   | Provide training to all employees, etc.   | Done                    |                 |
|                           | maybe, to persons with disabilities.  | Maintain records of training including dates training is provided and number of individuals training is provided to | Ongoing                 |                 |
|                           |   |   |                         |                 |

|                                       |  | Continue to provide training on any changes to the policies on an ongoing basis   | Ongoing         |                 |
|---------------------------------------|--|---|-----------------|-----------------|
| Feedback                              | Establish a process for receiving and responding to feedback about the manner in which it provides goods   | Review all customer feedback and take appropriate action  Conduct review of all feedback  | Ongoing Ongoing | January 1, 2015 |
|                                       | and services or facilities to persons with disabilities.  Ensure that the feedback processes are accessible to persons with disabilities by providing or arranging for accessible formats and communications supports, upon request. | Notify public of availability of accessible formats and communications supports  Ensure all requests for accessible formats and communication supports are directed to People & Culture | Done            |                 |
| Notice of<br>Temporary<br>Disruptions | Prepare a document setting out the steps that are taken in case of a temporary disruption  | Implement service disruption protocol by posting signs to advise the public where alternate service may be obtained, while repairs to existing services are completed                   | Done            | January 1, 2015 |

## **Employment**

| Requirement | Description                   | Action                         | Responsibility & Status | Compliance Date |
|-------------|-------------------------------|--------------------------------|-------------------------|-----------------|
| Recruitment | Notify employees and the      | Develop statement and include  | Done                    | January 1, 2016 |
|             | public about the availability | in all job postings RBH's      |                         |                 |
|             | of accommodation for          | commitment to providing        |                         |                 |
|             |                               | accommodation and availability |                         |                 |
|             |                               | of accommodation to ensure all |                         |                 |

| Recruitment,<br>Assessment or<br>Selection<br>Process | applicants with disabilities in its recruitment processes  Notify job applicants, when they are individually selected to participate in an assessment or selection process that accommodations are available upon request in relation to the materials or processes to be used.  Consult with an applicant requesting accommodation to provide or arrange for the provision of a suitable accommodation in a manner that takes into account the applicant's accessibility needs due to disability | applicants are notified of this availability.  Develop process to ensure all applicants are notified of availability of accommodations when they are individually selected to participate in the process.  Identify potential barriers in recruitment process and develop process to address barriers.  Develop interview guidelines addressing accessibility requirements. | Done         | January 1, 2016 |
|---|---|---|--------------|-----------------|
| Notice to<br>Successful<br>Applicants                 | Notify successful applicants of RBH's policies for accommodating employees with disabilities.   | Include statement in all offer letters/employment agreements.   | Done         | January 1, 2016 |
| Informing<br>Employees of<br>Supports                 | Inform current employees of RBH's policies to support employees with disabilities.  Provide this information to new employees as soon as practicable after they commence employment.  | Circulate policy and training modules to all employees, etc. and ensure sign-off for receipt of policy and training.  Policy and training to be reviewed with all new hires as part of onboarding process.  | Done Ongoing | January 1, 2016 |
|   | Provide updated information to employees whenever   | RBH accessibility policy and Multi year accessibility plan is   | Done         |                 |

|   | there is a change to RBH's policies.  | available to all employees on intranet   |      |                 |
|---|---|--|------|-----------------|
| Accessible Formats & Communication Supports for Employees | Upon request, consult with employees with disabilities to provide or arrange for the provision of accessible formats and communication supports for information that is needed in order to perform the employee's job, and information that is generally available to employees in the workplace.  Consult with employees making such requests to determine the suitability of accessible format or communication supports. | Audit of general communications to employees to ensure employees are aware of availability of accessible formats and communication supports. | Done | January 1, 2016 |
| Workplace<br>Emergency<br>Response<br>Information         | Provide individualized workplace emergency response information to employees who have a disability.  Provide workplace emergency response information to the designated person to provide assistance to the employee.  Review individualized workplace emergency response information as appropriate.   | Develop process for providing individualized workplace emergency response.  Develop for associates who self-identify as having disabilities. | Done | January 1, 2012 |

| Documented<br>Individual<br>Accommodation<br>Plans | Develop and have in place a written process for the development of documented individual accommodation plans, which include:  1. The manner in which an   | Develop processes for the development and implementation of individual accommodation plans and ensure this process is documented.  | Done    | January 1, 2016 |
|--|---|--|---------|-----------------|
|  | employee requesting accommodation can participate in the development of the individual accommodation plan.  2. The means by which the employee is assessed on an individual basis.  3. The manner in which the employer can request an evaluation by an outside medical or other expert, at the employer's expense, to determine if and how accommodation can be achieved.  4. The manner in which the employee can request the participation of a representative from their bargaining agent, where the employee is represented by a bargaining agent, or other representative from the workplace, where the employee is not represented by a bargaining agent, in the | Individual accommodation plans should include, if requested, information regarding accessible formats and communication supports provided, individualized workplace emergency response information if applicable, and identify any other accommodation that is provided to the employee. | Ongoing |                 |

|                           | development of the accommodation plan.  5. The steps taken to protect the privacy of the employee's personal information.  |  |      |                 |
|---------------------------|--|--|------|-----------------|
|                           | 6. The frequency with which the individual accommodation plan will be reviewed and updated and the manner in which it will be done.  |  |      |                 |
|                           | 7. If an individual accommodation plan is denied, the manner in which the reasons for the denial will be provided to the employee.   |  |      |                 |
|                           | 8. The means of providing the individual accommodation plan in a format that takes into account the employee's accessibility needs due to disability.                                    |  |      |                 |
| Return to Work<br>Process | Develop and document a return to work process for employees who have been absent from work due to a disability and require disability-related accommodations in order to return to work. | Review current policies and processes regarding return to work to ensure compliance. | Done | January 1, 2016 |

|  | The return to work process shall outline the steps RBH will take to facilitate the return to work and use individual documented accommodation plans.  |  |         |                 |
|--|---|--|---------|-----------------|
| Performance<br>Management              | Take into account the accessibility needs of employees with disabilities, as well as individual accommodation plans, when using its performance management process in respect of employees with disabilities. | Review current process to determine if revisions are required. | Ongoing | January 1, 2016 |
| Career<br>Development &<br>Advancement | Take into account the accessibility needs of employees with disabilities as well as any individual accommodation plans when providing career development and advancement to employees with disabilities.      | Review current process to determine if revisions are required. | Ongoing | January 1, 2016 |
| Redeployment                           | Take into account the accessibility needs of employees with disabilities, as well as individual accommodation plans, when redeploying employees with disabilities.  | Review current process to determine if revisions required.     | Ongoing | January 1, 2016 |

### **DESIGN OF PUBLIC PLACES**

(The following requirements only apply to public spaces that are newly constructed or redeveloped on and after January 1, 2017.)

| Requirement              | Description   | Action   | Responsibility & Status | <b>Compliance Date</b> |
|--------------------------|---|--|-------------------------|------------------------|
| Exterior Paths of Travel | RBH will ensure that any exterior paths of travel, such as outdoor sidewalks and walkways, ramps, stairs and curb ramps, that it constructs or redevelops and intends to maintain meet the technical requirements of the Design of Public Places Standards. | No action is necessary, unless RBH builds new or makes major changes to existing exterior paths of travel.  Ensure exterior ramps and stairs continue to be compliant with the regulation. | Not Applicable          | January 1, 2017        |
| Accessible<br>Parking    | RBH shall ensure that when constructing new or redeveloping off-street parking facilities that it intends to maintain, the off-street parking facilities meet the requirements of the Design of Public Places Standards.                                    | No action is necessary, unless<br>RBH builds new or makes<br>major changes to existing<br>parking spaces.  | Not Applicable          | January 1, 2017        |
|                          | Off-street parking is a space where you can park your vehicle temporarily that is not on a public road or street.   |  |                         |                        |
| Maintenance              | RBH will ensure accessibility plans include:  |  |                         | January 1, 2017        |
|                          | 1. Procedures for preventative and emergency maintenance of the accessible elements in public spaces.   |  |                         |                        |

| 2. Procedures for dealing with temporary disruptions when accessible elements required are not in working order. |  |  |
